FOREWORL THE THEME FOR THE 1955 EDISONIAN, "Books and Bookworms, is a logical as well as humorous one. What is a school without books? If you look hard enough, you see a bookworm here and there. (The kind that study, we mean.) The bookworms you will see on the following pages are, of course, purely imaginative. To learn what is between the covers of books is the main purpose of our school days; but follow the bookworm and you will see many activities where books are not the main attraction. Both book-learning and real-life experiences are necessary for the well-rounded school years. When out in the world on our own, we Seniors will put our high school education to practical use. How we have spent this time will influence us the rest of our lives. It pays to discover what is between the book covers just as it is fun to join our fellow "bookworms" in a good time.

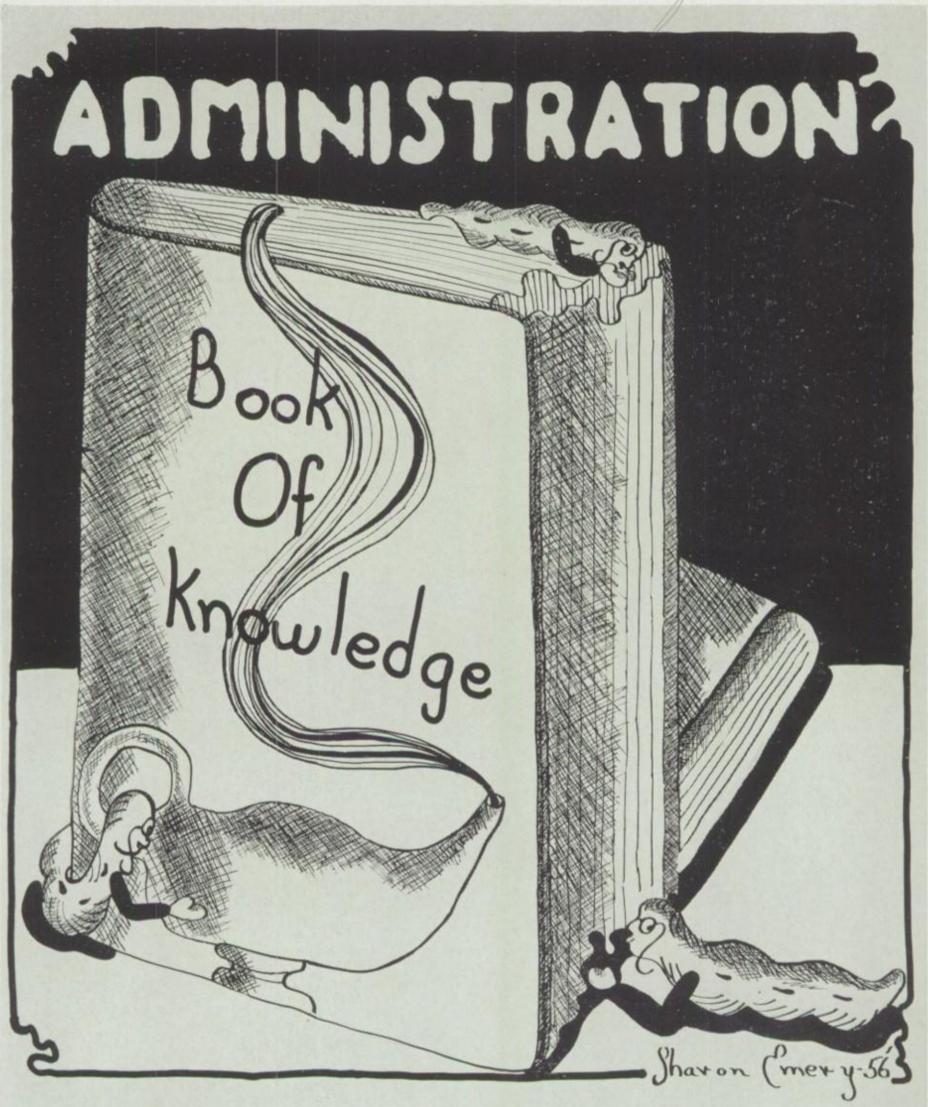

Of it is at Junice Enther (67)

# ALMA MATER

Come, comrades dear and join us
We'll raise a mighty cheer
For the good old Alma Mater,
To all of us so dear,
For there is not one among us
But loves her with his might
And always does his bravest
For the Blue and Orange bright

Dear Beloved Alma Mater
We honor thy fair name,
And as athletes and as students
We'll earn you praise and fame
On the football field or diamond,
For thee shall praise resound;
In the classics hall of learning
Shall be owned thy fair renown.

All too fast the time draws nearer—School days behind we'll leave;
Then for thee dear Alma Mater
In the after years we'll grieve;
Always as a gentle Mother,
Our hearts to thee are true
As you teach us loyal friendship
To the Orange and the Blue.

#### PROPHECY

The 1955 yearbook certainly had an influence on the lives of the Class of '55. Let's look in on them ten years hence to see what they are doing.

First we find Arnie Northrop, Tony Della Sala, and John O'Herron, The Three Musketeers, who are coaching in the local high school on College Avenue. Also in the same high school is our old friend William Brant, who has won the coveted Mr. Chips award for being the most outstanding teacher of the year. The Sea Wolf inspired Dick Vollgraf, David Browne, Robert Kukulka, and Ronny McMillan to stay on the "briny deep" in Uncle Sam's Navy. Coming down Fourteenth Street is no other than Dick Kendall with his trusty musket slung over his shoulder and his traps dangling behind him. As The Deerslayer of Elmira Heights, he rates No. 1 as the best hunter. Calvin and Clark Harris have made Four Million building miniatures of the world's famous buildings, while Larry Coon is making his fortune at his night club Treasure Island located where the old pool room used to be. Nancy Thayer plays delightful dinner music there, while Joan Browne is the featured dancer. Dick Rohr is the chief bouncer and Eddie Hall thrills the audience with his trumpet playing. John Murphy is gorgeous in his role of head waiter. His suave manner fills the club to overflowing nightly.

On Main Street (14th Street to you) we find Aldeen Curtis doing her weekly marketing. You know she married the president of Westinghouse, George McGrain. Catherine Cowulich, "Miss Library Lady" is head of the library, Robert Marsh is now manager of Markson's, Thomas Nybeck has the largest gas station in the Southern Tier, and Marion Phillips is private secretary for Don Hetrick, owner of Hetrick's Moby Dick Tuna Company.

Anna Rothchild and Diana Halsey have opened their own knitting shop Pride and Prejudice where local women can go to talk about their neighbors and pick up a few stitches. Ozzie Hunt, Howard Page, David Gilbert, Norman Erickson, and Wilbur Hockenbrought are dishing out Crime and Punishment as guards at the Reformatory. Carol Hancock and Helene Segan are matrons at the county jail. "They Guard the Gates." Diana Ames is in Hollywood playing the featured role in Desiree, Ed Kniesl is there too starring in Don Quixote, while Tom Stelmar is on Broadway doing Dr. Jekyll and Mr. Hyde. LaVern Brown and Larry Stoll are still trying to find a Northwest Passage to the moon. Manny Schreiber has found success on his estate, The Sea of Grass, in Pine Valley, where his foreman Glenn Schlect, has succeeded in raising a prize heifer called The Yearling.

Joyce Ryan is busily sketching underwater scenes for Hollywood in her 20,-000 Leagues Under the Sea studio. Dorothy Rumsey's beauty shop, Seventeen, keeps her best customers Erdina Chamberlain, Martha Valego, and Marjorie Novak still looking that enviable age. After Robert Dwyer read I Wanted Wings he went to Aviation school and became a general in the Air Force. The Smith girls—Thelma and Lois are Raising a Riot at the Arnot Ogden as superintendents

#### PROPHECY

of the nurses. Also in this profession is Joan McNamara as a Navy Nurse. If you join the Marine Corps, you will find Sharon Dougherty who has just won the Red Badge of Courage for outstanding bravery.

Jo-Ann Kingsley now has her own radio-television show Private Secretary where she ensnares the interest of millions, while Barbara Kingsley in real life is La Parfait Secretaire. Joyce Lashiw is showing Imagination in Business for she has invented a typewriter which runs automatically. The typist merely thinks the word and the machine does the rest. The Life of an American Workman can best be illustrated by Bill Neuber, who is driving a coal truck in Elmira. Joyce Novak and Sally Peterson have opened a super duper motel near Watkins called "Room For One More." Gerry Smith is having Fun with Mathematics figuring out everyone's Federal Taxes. Our new T. A. E. Television station is operated by Youston Sekella, who is busily making history in his Television Story. Faith Sweitzer is one of the Secretaries Who Succeed. And little "So Big" Petie Spirawk finally learned that Love is Forever when she married her Bob. Like Silas Marner Bob Spirawk is counting his shekels by following the slogan Give the Lady What She Wants.

It you journey to South America, you will find Jim Toucher, a famous engineer, constructing many of the Famous Bridges of The World. At present he is considering a span across the Atlantic. Where Else But Alaska would you expect to find John Wilson, where he has struck another gold mine! Don Watson has just completed a new Passage to Texas with his ten lane speedway. It Took Courage for Charles Weir to travel by raft around the world. Jerry Bannister is Trailing Trouble as a telephone lineman for the N.Y.S. Telephone Company. Ronnie Hynes has Sawdust in His Shoes from performing the head clown with the Greatest Show on Earth and with the same troupe is George Townsend, a famous ring master who begins each show with This is Your Announcer. Don Van Gaasbeck is having Logging Trouble in his logging camp on The Trail of the Little Big Horn. Robert Van Gordon has Great Expectations of conquering Sky Mountain, a new height he discovered in the wilds of Tibet. Bill Wise has become a famous ball player and is quite a Young Man of the World. Mary Helen Wheaton and Mary Lou Williams, as telephone operators, repeat many times daily Information Please? Roger Young, who was Born to Command, is a four star general in the Army. Curt Chambers has raised a Mystery Horse at his racing stables of Slow Smoke. His chief jockey is none other than Don Belknap. Ronnie Carpenter, now a famous ornithologist, can tell you How to Attract the Birds and is on a world lecture tour.

Suzie Zepp, who remained in Elmira Heights and took over Miss Terry's job, is teaching Gymnastics and Tumbling for a living. Little Polly Trumble, who is no bigger than the babies in her day nursery is carrying out the rule of Each One, Teach One.

So you see all the class of '55 have made their mark in the world.

#### SENIOR HISTORY

As our remaining school days draw to a close, the Class of 1955 looks back with pride on our four exciting and successful years in T. A. E.

In our Freshman year Mrs. Klungle became our capable advisor with the following class officers: President. William Brant; Vice-President, Suzanne Zepp; Secretary, Dorothy Rumsey; and Treasurer, Thomas Stelmar. To start our Freshman year off, our first moneymaking venture was holly sales. As we became a small part of T. A. E. we collaborated with the Sophomore Class by co-sponsoring a "twirp" dance, "Funnybook Flounce," based on comic book characters.

As Carefree Sophomores we started the year off with the election of class officers. The following were elected: President, Robert Dwyer; Vice-President, Suzanne Zepp; Secretary, Dorothy Rumsey; and Treasurer, Arnold Northrup. Our first activity of the year to raise funds for our treasury was a bake sale. Inspired by the successful results, we sponsored a talent show, given by the Elmira Heights Kiwanis Club. Our next endeavors were an autograph dance and greeting card sales. Our school year was highlighted with pizza sales. As was the custom, we gave the Class of 1953 an autograph dance on Class Day. At the close of the year we had a class party to conclude another successful year.

As Jolly Juniors, our class was full of moneymaking projects. As a result of profits made in our Sophomore year, we purchased a popcorn and hot-dog machine. This added equipment enabled us to raise funds in selling refreshments at football and basketball games. We had a very successful magazine subscription campaign and co-sponsored a Fashion Show with the Elmira Heights Business and Professional Women. When our eagerly awaited class rings arrived, we felt a bigger part of T. A. E. All our hard work was rewarded when we held the Junior-Senior Prom and Banquet at the Mark Twain Hotel. Our theme was "New York Skyline." Other highlights of the year were when our Jolly Juniors represented us at Youth County, Boy's State, and Junior Rotarians. Our able class officers (President, Suzanne Zepp; Vice-President, Robert Dwyer; Secretary, Joyce Ryan; and Treasurer, Larry Coon) helped us to make a prosperous year both financially and socially at the annual Junior-Senior picnic at Enfield Glen.

Our Senior year brought forth many new and different activities. Mrs. Cross became our able advisor for our last year in high school. We elected the following officers: President, Larry Coon; Vice-President, Robert Dwyer; Secretary, Dorothy Rumsey; and Treasurer, Joyce Ryan. We began to make plans for our future and started to work a little harder than ever before. Once again money-making projects were necessary. We sold candy at Christmas time and put on a dance entitled "Snowflake Serenade." Once again we co-sponsored a Fashion Show with the Elmira Heights Business and Professional Women and co-sponsored a Minstrel Show with the Golden Glow Heights Fire Department. Soon after this we found ourselves busy selecting announcements and ordering our caps and gowns. In April we presented the Senior Play, "Jenny Kissed Me," which was a financial success.

Now we have reached our goal—we have become a part of T. A. E. However, we couldn't have done all this without the guidance and understanding of our very able sponsors, Mrs. Klungle and Mrs. Cross. Looking back, the Class of 1955 feels that our four years have been well spent and will always be remembered.

# JUNIOR CLASS HISTORY

. . .

With just one year to go, the Jolly Juniors have accomplished many feats and have overcome obstacles. The cooperation of Mr. Biondilillo, our sponsor, and our class officers, Robert Muccigrosso, president; Paul V. Smith, vice-president; Joan Lepkowski, treasurer; and Judy Weigle, secretary; have been a great benefit to us.

With funds coming in every day from selling candy and popcorn, the Juniors have completed a successful year. Also, with the wonderful cooperation of the faculty and the community, the hard-working Juniors have prospered by selling magazines, sponsoring a skating party, a bake sale, and a March dance. We have also kept ourselves busy in selecting class rings, giving a class party, and using our money from the above activities for our Junior-Senior Banquet and Prom.

#### SOPHOMORE CLASS HISTORY

With our freshman year behind us, and the experience we gained, we really were ready to make our sophomore year a truly big and important one.

Our first duty was to elect four officers who would work with our wonderful and capable class advisor, Mr. Dumbleton.

The meeting was held and the following were elected: Ray Kelly, President; Gail De-Golyer, Vice-President; Barbara Fronko, Secretary; and Nancy Budd, Treasurer.

With the leaders chosen, the class went on to carry out its projects, which included a bake sale, several pizza sales, movie benefits, a skating party, all-occasion card sales, and the annual Autograph Dance.

Each sophomore may certainly look back on this year and be proud of the accomplishments he sees. The work was well done, and the dividends were great.

A bigger and better "Light Bulb" has been made available to everyone this year because of the efforts of the members of the Newspaper Club.

The "Light Bulb" which has been exchanged with papers of area high schools, included such articles as sports events, Starlit Ball, fashions for both boys and girls, a gossip column, autos of Edison, class news and other interesting articles.

The newspaper is put together by members of the club. The articles are written, proof-read, typed and proof-read again. Then to the printers they go, where they are set up by the printers. Again the members of the club take over. They dummy the paper and proof-read the articles again. The "Light Bulb" returns to the printers to be printed. Next you are the important person, the buyer.

The year subscriptions, eight issues for one dollar, were sold. If you did not buy a subscription, papers

were sold for fifteen cents per issue.

We wish to thank Mr. Dumbleton for all the help he has given the paper and the work he has done to help make the "Light Bulb" the great success it was.

Under the excellent leadership of Mr. Wesley R. Johnson, T. A. E.'s band has completed a most successful year.

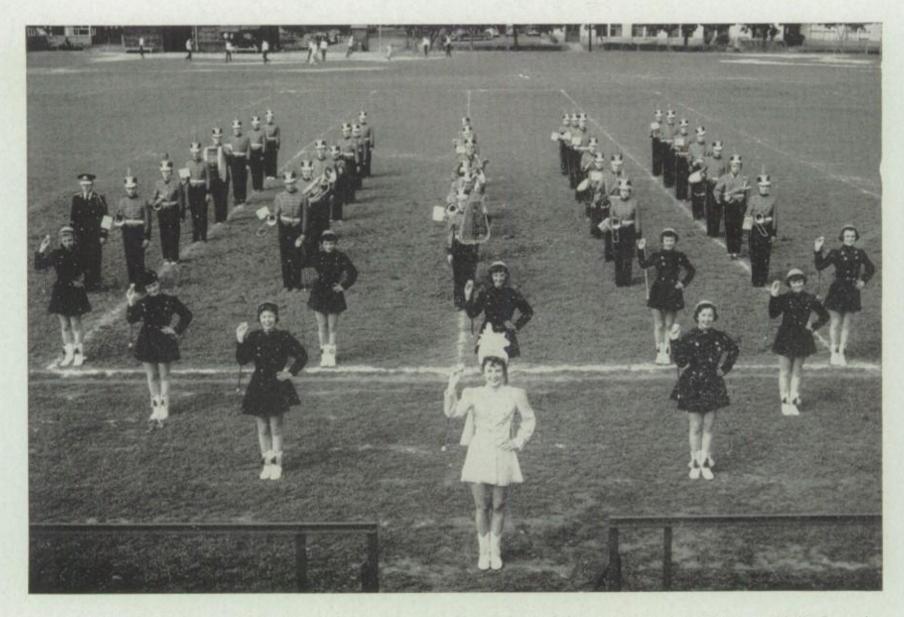

The year began with the band playing for all the football games, with the help of nine twirlers and the Drum Majorette. Many interesting formations highlighted "half-time."

Parades are one item that never keep T. A. E.'s band members from bringing honors and awards to Edison.

With new music in the folders, the band performed expertly at the Spring Concert. Also, it played for the many assembly programs throughout the year.

The success of the band is due to its fine leadership, hard work, and wholehearted co-operation of each member.

# VARSITY FOOTBALL

The 1954-55 football season opened with about sixty candidates reporting for practice. From these boys Coach Al Northrop chose an able crew to represent T. A. E. in battle.

Our first game was a thriller with Corning Northside, and it ended in a hard fought o-o tie. The next week we met Owego and in the last forty seconds of the game, Anthony Della Sala scored to give us our first victory, 7-o. (Following that victory we rolled up victories over Painted Post 34-12 and Watkins Glen 20-6, before meeting defeat at the hands of Corning Free Academy, 33-6. We bounced back into the victory column the following week with a 36-13 win over Bath.)

Then came the big game with Waverly. Both teams came into the game, undefeated in league play. The boys in Orange and Blue, led by half-back Arnold Northrop and full-back Charles Page, and the hard hitting, hard tackling line passed a 13-0 defeat on them, which left us in sole possession of first place in the race for the Southern Counties League title.

The following week we met our arch rival "Horseheads" with the "orange and white jug" and league title at stake. With a strong line and good blocking, the Heights boys scored a great victory with a score of 32-o. We claimed a great season with a 6 win I loss I tie record and became the new "Southern Counties League Champs."

The Edison J. V. football team of 1954 got off to a bad start by bowing to its first two opponents, both Corning high schools. The game with Corning Free Academy was a let down with a score of 13-7. The second was the deepest bow, however, when we played Corning Northside High. The Edison representatives fell before them to a score of 27-0.

In the third engagement with our rivals at Horseheads, after a talk in the locker rooms from Coach Cheplick and a little between the players; T. A. E. went on to tie the opponents 7-7 in one of the most exciting battles of the J. V. season. With a lift in their moral the team went further yet to take the fourth struggle from C. F. A. with a slim but decisive score of 7-6.

The next encounter also proved to be a success against Corning Northside with a substantial margin of

six points, in which Edison came out on top 13-7.

In the sixth battle of the season Edison fell to the Horseheads onslought. They pushed the Heights J. V.'s to a 34-0 loss. Spirits were low in the showers that day. Yet, there was "one" morale lifting play in this game. On a fourth down at our 35 yard line Heights kicked away. It was a good kick by Vincent Kadlec, who scored all but one of Edison's touchdowns this season. Horseheads fumbled and the pigskin rolled to the seven yard line. Dick Saginario broke through and raced 58 yards to recover the ball for Heights. However, this was of no avail. We could not score.

The last game of the season was with Waverly whom we rolled over 20-0. The scoring in this game for the most part was done by Vincent Kadlec, that is, all except for one touchdown which was made by Dave Crum. This gave the Edison J. V. team a final game score of 3:3:1.

# VARSITY BASKETBALL

. . .

The Heights' Cagers climaxed a thrilling season by dropping a close battle with Horse-heads. This last game gave the Raiders from Horseheads the Southern Counties League's crown. But a look back at the scorebook will tell you that T. A. E. has a lot to be proud of in the team. The Blue and Orange, strategically coached by Mr. Albert Northrop, had a winning season and turned in some spectacular upsets.

The team started slowly, dropping the opener at Corning Northside 56-50. In the Painted Post gym they found their eye and after trouncing the Indians 63-49 they went on to beat Watkins Glen and the former powerhouse of the S. C. L., Waverly.

Coming back from the Christmas vacation, the Heights continued their winning ways by turning on some terrific shooting and maybe a little jinx and beat Elmira Free Academy 60-59. On January 7, the "wheel of fortune" dealt Edison a cruel blow as the team went down to defeat at the hands of arch rival Horseheads 57-39. Following that the Green Hornets from Southside beat T. A. E. and Painted Post reversed an earlier loss taking the Heights on the home court, 70-65.

It was just about time for a change so the Northrupmen fooled the experts by playing superb ball and upsetting Corning Academy 69-64. The team brought victory again to the Heights by spilling Owego 83-73. The Elmira Blue Devils gained much satisfaction in sending the Heights home with a 75-42 shellacking. That woke the team up and they proceeded to knock off Watkins Glen, Corning North, and Waverly before being stopped by Southside. The next game T. A. E. bounced back at home and won a thriller from Horseheads 71-68. Corning Free journeyed to the Heights and clobbered the home team, 65-53, on February 25.

At this point of the season T. A. E. found itself deadlocked with Horseheads for first place in the S. C. L. While Edison ended in the low end of a hard fought battle at Owego 75-73, Horseheads was also losing at Waverly by one point.

This set the stage for the dramatic play-off between the Blue and Orange of Edison and the Blue Raiders of Horseheads at the neutral E. F. A. court. Never have two teams fought with more determination than these two traditional rivals. Edison started out strong and held the lead throughout much of the game. In the final quarter Horseheads spurted ahead of the Heights quintet and froze the ball until the clock ran out. As the 74-70 score indicated it was a close game and well played by these two teams.

\* \* \* \* \*

Throughout the year our attack centered about the big 6' 1" pivot man, Dick Wheet. Displaying an amazingly accurate, ambidextrous hook shot, Wheet set a new record for individual scoring at T. A. E. by tallying 351 points.

The hard-fighting, hard driving guards Arnie Northrup and Tony Della Sala played great clutch ball throughout the season. Their sharp-shooting and smooth ball handling have guided the team.

Bill Wise and Dave Haskins played very good ball throughout the year as forwards. Bill Wise kept opponents baffled with dead one-hand shots and his fake-drive-stop-shoot technique. Dave Haskins not only showed good basketball sense on offense, but also in the zone defense used by Coach Northrup this year.

A team must have a strong bench if it will be successful. T. A. E. called on ace reserves Richard DeGolyer, Todd Rachel, George Townsend, Harry Yontz, and Ray Sprinkle to pull the team through when needed. Without their spirit and basketball know-how the Orange and Blue would not have this successful a season.

Bully for you!

Two Points!

### WRESTLING TEAM

Row one-Robert Webb, William Meagher, Rudy Parker, Thomas Meagher, Jerry Bannister, James Hoobler, Boris Kozielski, Michael Dwyer, Robert Dwyer, Bruce Miller, Paul V. Smith, Mr. David Cheplick.

The Thomas A. Edison High School Wrestling Team enjoyed a successful season winning 7 of 12 dual meets.

The season opened with Owego at Edison with Edison coming out on the short end of a 39-9 score. Edison's only winners were Thomas Meagher, Jerry Bannister, and Boris Kozielski. In the next two meets Edison defeated Horseheads 37-10 and Painted Post 32-13.

In one of the closest matches of the season, Cortland beat Edison. Winning for Edison were Robert Webb, William Zelko, Thomas Meagher, and Robert Dwyer. Edison came back with successive wins over Waverly 35-20 and Painted Post 35-8.

A powerful Ithaca team came to Edison and downed Edison 43-3 with Robert Dwyer, Edison's only winner. Edison lost the next one to Southside 25-14 but returned beating Horseheads 34-13 and revenging an earlier loss to Owego by taking them 22-20. Edison lost the next match to E. F. A. 24-19 and closed the season with a 29-20 victory over Waverly.

Edison received more honors by winning the Southern Counties Tournament Team Championship for the third straight year. Edison placed nine men in the finals and six won. The six winners were: Robert Webb, Floyd Stumpff, Thomas Meagher, Jerry Bannister, Bois Kozielski, and Robert Dwyer.

In the Section IV wresting tournament Robert Dwyer was runner-up in the 145 lb. class while Robert Webb was third in the 95 lb. class and Bois Kozielski was fourth in the 138 lb. class.

### BASEBALL

Row one-Charles Minch, Joseph Krovetz, Arnold Northrop, Rudy Novak, Robert Spirawk, Thomas Stelmar, Anthony DellaSala.

Row two-Stanley Kohan, Albert Elias, Leo Parchesky, Richard Wheet. Ronald Kline, Ray Kelly.

Row three—Mr. J. Albert Northrop, James Hoobler, William Zelko, Richard DeGolyer, Charles Page, Richard Saginario, Glenn Knott.

The Edison Baseball Team had one of its best seasons in several years with an inspiring 11-5 record. Edison started out the season with a 4-2 win over Watkins Glen followed by a victory over our traditional rival Horseheads, 3-0.

Highlights of the season were the six game winning streak starting with Horseheads, 18-1, and ending with C. F. A., 7-0.

Heights established this record through the fine pitching of Fran Phielix and the freshman star, Stosh Kohan. The team's hitting was lead by two fine seniors, Fran Phielix and Chuck Minch.

We are fortunate in having two four-year men returning next year, and a host of other lettermen. Tony DellaSala and Arnie Northrop are the four-year men followed by Al Elias, Stosh Kohan, Bob Spirawk, Dick DeGolyer and Dick Wheet. This should prove to be a good nucleus for a great season.

### TRACK TEAM

Row one—Bois Kozielski, William Brant, Eldon DePue, Rex Ingerick, Francis Woidzik, Peter McGuirk, Dean Ramsay.

Row two-Roger Young, Floyd Stumpff, Bruce Miller, Thomas Meagher, Todd Rachel, William Vosburg, Carl Phillips.

Row three—Mr. Thomas Guidus, Robert VanGorden, Delmar Price, James Woughter, Daniel Green, Richard Shaw, Donald VanGaasbeck.

Our track team had a much improved record this year. Under the capable leadership of Mr. Thomas Guidus, we were able to compile a record of four wins against five losses.

At the annual Southern Counties Meet, our team competed against teams from Waverly, Horseheads, and Owego. Howard Page, Francis Woidzik, and Peter McGuirk each placed in their events and thus enabled them to compete in the Section IV finals at Cornell.

Other noteworthy performances this year were turned in by Eldon DePue, Rex Ingerick, Gary Whiting, and Robert VanGorden.

The team spirit which prevailed throughout the entire track season is evidence of even bigger things to come next year.
